

# Community Car Seat Clinics 2020

APPOINTMENTS REQUIRED

In partnership with local fire departments, Regions Hospital is offering car seat and booster seat safety clinics. SafeKids certified car seat technicians will teach you how to properly install your car seat/booster seat and teach you how to properly harness your child into the seat. There is no charge for this clinic.

## Did you know...

- It is estimated 3 out of 4 car seats are installed improperly
- Car seat crashes remain one of the top causes of childhood injury and fatality
- Attending a car seat clinic is a great way to reduce injury risk
- Additional car seat clinic locations can be found on the SafeKids website: [www.safekids.org/events](http://www.safekids.org/events) or
- By visiting the MN DPS Office of Traffic Safety website: [www.buckleupkids.mn.gov](http://www.buckleupkids.mn.gov)

## What to expect

- Please call or email for an appointment  
651-357-2798  
[CarSeatInfo@HealthPartners.com](mailto:CarSeatInfo@HealthPartners.com)
- Appointments are about 30 minutes per car seat
- Please bring your car seat and vehicle owners manual
- It is best to have your child present
- We have demo dolls for expectant parents
