Allan Worm, Commissioner  ABSENT AND EXCUSED

STAFF
Molly Just, City Planner

III. ADOPT AGENDA

Motion to adopt agenda by Commissioner Gelbmann, and seconded by Commissioner Wahl, with all present voting aye (5-0). Motion carried to adopt the March 7, 2019 Agenda.

IV. APPROVAL OF MINUTES

A. January 3, 2019 Planning Commission Meeting Minutes

Commissioner Gelbmann requested the following correction:
-Page 4, 4th paragraph from bottom, 4th line - after “complete”, insert “in which density was considered.”

Chair Barton requested the following correction:
-Page 2, Agenda Item VI, 1st paragraph, line 4 - replace “small” with “smaller”

Motion to approve Minutes by Commissioner Stahlmann, and seconded by Commissioner Bathurst, with all present voting aye (5-0). Motion carried to approve the January 3, 2019 regular meeting minutes as amended.
B. February 7, 2019, Planning Commission Meeting Minutes

Commissioner Wahl requested the following correction:
-Page 2, 3rd paragraph - delete sentence: “He added this might be a First Amendment issue.”

Commissioner Gelbmann requested that the sentence should read: “Commissioner Gelbmann clarified that the specified use cannot be legally eliminated from the City.”

Chair Barton requested the following correction:
-Page 3, Agenda Item 8a, 2nd paragraph, line 1 - delete “not”

Motion to approve Minutes by Commissioner Gelbmann, and seconded by Commissioner Bathurst, with all present voting aye (5-0). Motion carried to approve the February 7, 2019 regular meeting minutes as amended.

V. MEETING OPEN TO THE PUBLIC

There were no comments.

VI. PUBLIC HEARINGS

A. Conditional Use Permit 2090 11th Avenue East – Adult Day Care Facility

City Planner Molly Just reviewed a request for a Conditional Use Permit (CUP) for an adult day care facility to be located at 2090 11th Avenue East (Target Plaza). The facility would be licensed and regulated by the State of Minnesota to provide cares and services to adults, with a capacity of 60 adults. The proposed facility requires local approval for operations to begin.

Ms. Just stated City Staff received notification of this request from the Minnesota Department of Human Services. The program and facility will be required to meet State licensing guidelines, and the City must ensure there are no conflicts with any surrounding uses. The applicant is currently operating the facility out of her home but hopes to expand in response to an increased demand for these types of services.

Ms. Just stated the standards of the CUP are met by this request. The proposed use is consistent with the purpose and intent of the City’s Comprehensive Plan and can be adequately served by City utilities. Adjacent residentially zoned properties are separate from and compatible with the proposed use, and the facility’s hours of operation (7:00 a.m. – 8:00 p.m.) are consistent with the hours of operation of surrounding uses.

Chair Barton stated the required number of parking spaces seems high. Ms. Just stated the City must ensure there is adequate parking at Target Plaza for the proposed use, both now and in the future. She added the applicant has agreed to add signage to 10 parking spaces that would designate parking for their service.
Commissioner Gelbmann stated snow is currently stored in the Target Plaza parking lot, and whether it will be moved to another location to make room for adequate parking for the facility. Ms. Just stated the issue of snow storage will be addressed, and more parking is required than will be necessary.

The applicant, Blia Vang, stated she has run this program for two years out of her home, and current capacity is limited. She added new proposed location will be suitable for the program, which is attended by elderly adults.

Commissioner Stahlmann asked whether the applicant plans to offer exercise or walking outside near the facility. Ms. Vang stated the group goes to the YMCA where they participate in many activities. She added they go on outings to local shopping areas and visit local parks in the summertime.

Commissioner Stahlmann asked whether the applicant owns a van or bus. Ms. Vang stated the facility currently has one van, and additional vehicles will be needed as they plan to expand capacity.

Chair Barton asked whether some parking will be dedicated to the facility’s vans. Ms. Vang confirmed this.

Chair Barton asked whether the occupancy of 60 participants is acceptable from a Fire Code perspective. Ms. Just confirmed this.

Chair Barton opened the Public Hearing at 6:37 p.m.

Khosrow Daivari stated snow storage will not normally be an issue at Target Plaza. He added the space was formerly occupied by the State of Minnesota but is currently not occupied, so snow has been stored on site rather than paying for removal.

Chair Barton closed the Public Hearing at 6:38 p.m.

Commissioner Gelbmann stated there had previously been sewer issues in an adjacent area. He asked whether City Staff anticipates any sewer issues at this property. Ms. Just stated the Metropolitan Council will determine the ability to serve.

Motion to recommend approval by Commissioner Bathurst, and seconded by Commissioner Gelbmann, with all present voting aye (5-0). Motion carried to recommend approval to the City Council of a Conditional Use Permit for 2090 11th Avenue East – Adult Day Care Facility;

Chair Barton stated this request will be reviewed by the City Council at their March 19, 2019, Regular Session Meeting.

VII. COMMISSION BUSINESS ACTION ITEMS & RECOMMENDATIONS

-None.
VIII. REPORTS FROM STAFF
-None.

IX. REPORTS FROM COMMISSIONERS

City Council Liaison Sonnek asked for an update on the the adult day care center that was approved in 2018. Ms. Just stated that adult day care center has not yet opened as there are conflicts related to improvements.

City Council Liaison Sonnek stated a recent article in the Ramsey County Review newspaper highlighted development in North St. Paul. He added the proposed development at 7th Avenue East and Margaret Street North continues to move forward, but nothing has been finalized. He noted the proposed project will dramatically change the dynamic of the surrounding area.

City Council Liaison Sonnek stated development plans for the Anchor Block site continue to progress, with a proposed Kwik Trip on the north end of the site. He added market-rate apartments and a storage facility are also proposed for the north end, to the east of the proposed Kwik Trip location. He noted the storage units would be similar to the existing storage facility on Highway 36. Ramsey County has expressed willingness to review the potential of adding a new intersection at the bus garage entrance, with a right-turn only and controlled intersection at McKnight Road.

City Council Liaison Sonnek stated groundbreaking on 100 new townhomes at the south end of the Anchor Block site will happen in the next month or so.

City Council Liaison Sonnek stated the City Council’s March 5, 2019 workshop included a presentation on the emerald ash borer by a representative of the Minnesota Department of Agriculture. He added emerald ash borer infestations have been confirmed in the City of North St. Paul, and three zones of concern have been identified. He noted ash trees will go through a cycle of infestation that could take years to complete.

City Council Liaison Sonnek stated the City’s pre-emptive policy is to remove ash trees from the City’s boulevards during road construction projects. He added ash trees will be removed as part of a controlled process due to the expense. He noted that the City Forrester and Public Works Department have been actively managing this process and are aware of the potential damage that can be caused by the emerald ash borer.

Chair Barton asked when the City began removing ash trees in the right of way as part of street reconstruction projects. City Council Liaison Sonnek stated he is unsure but agreed to check on that.

Commissioner Stahlmann asked whether the property across from City Hall is still for sale. City Council Liaison Sonnek confirmed there is interest in the property from a development company affiliated with Thor Development.

Commissioner Bathurst stated he may not be able to attend the April 2019 meeting as he is having knee surgery soon.
Chair Barton stated, at the Commission’s December 2018 meeting, the Planning Commission had requested 2018 attendance records as well as remaining terms for current Commissioners. She added the roll call should reflect that Commissioners are “absent and excused” when prior notification was provided to the Planning Commission or City Staff.

Chair Barton stated she saw a recent article regarding the Highway 36 – Hadley Avenue intersection project, on which construction has commenced. She added the article noted there are apparently three roundabouts planned as part of the project.

Chair Barton stated the CUP request raised questions regarding the City’s parking requirements for commercial businesses. She requested a future review and discussion of the City ordinance related to this issue.

X. ADJOURNMENT

There being no further business, motion to adjourn by Commissioner Wahl, and seconded by Commissioner Bathurst, with all present voting aye (5-0). Motion carried to adjourn the meeting at 6:55 p.m.

The next regularly scheduled Planning Commission Meeting is Thursday, April 4, 2019 at 6:15 p.m.

Members, please notify any planned absences to: Olivia Boerschinger
Planning Commission Secretary

MEMORANDUM

Date: 3/28/2019
To: Planning Commission Members
From: Molly Just, AICP, City Planner
CC: Scott Duddeck, Interim City Manager
Debra Gustafson, Administrative and Community Services Director
Re: Updates to City Ordinance to Enable Pawn Shops and Eliminate the Payday Loan Use

BACKGROUND
In 2009 the City Council adopted an ordinance to regulate pawn shops in the City of North St. Paul. At the time, zoning provisions were not adopted to regulate the use and its location within the City. The subject zoning amendments are intended to regulate the use and its location. The City Council is approving an amendment to the pawn shop ordinance so that only one pawn shop can be located in the City of North St. Paul at a time.

An interdepartmental staff team has reviewed the pawn shop ordinance and offers the following zoning amendments to allow pawn shops in the MU-3 Mixed Use District by Conditional Use Permit. In addition to these changes, staff was directed to eliminate the payday loan use from the Zoning Ordinance. There are no payday loan businesses operating in the City and so this action would not create a non-conformity.

FINDINGS
Please note the new proposed ordinance text below. The underline indicates new text, strikethrough indicates text to be deleted.

Section 154.003 Definitions
Proposed Definition:

PAWN SHOP. A facility where money is loaned based on the value of goods deposited at the facility by the borrower of the money, which goods are held by the pawnbroker of the money occupying the facility as collateral for the loan. Items held by the pawnbroker which are not redeemed by a borrower may be put up for sale at the facility to the general public.

Section 154.010(D) General Regulations

Pawn Shop. Pawn Shops are regulated and licensed under Title XI Business Regulations, Chapter 124 Pawn Shops. Pawn Shops may be allowed by Conditional Use Permit in the MU-3 District. While a Pawn Shop business is licensed and regulated under Chapter 124, any Pawn Shop shall comply with the provisions of Chapter 154 and an approved Conditional Use Permit. The City Council may impose conditions on approval of such a Conditional Use Permit in order to regulate the effects on the City’s ability to provide public urban services, changes to the desired character of an area, or the creation of major nuisances.

What is a Text Amendment?
A Zoning Text Amendment is a procedure that amends the written provisions of the ordinances contained within Chapter 154. Amendments shall not be made indiscriminately but shall only be used as a means to reflect changes in the goals and policies of the City as reflected in the Comprehensive Plan, policies, plans or changes in conditions within the City.

City Code Section 154.004, (D) Zoning Text Amendments (2):

The City may grant a Zoning Text Amendment if the proposed amendment is compliant with the following findings:

- The proposed amendment is consistent with the general purposes and intent of the Comprehensive Plan. Finding met.
- The proposed amendment will not adversely affect the health, safety, or general welfare of the City. Finding met.
- The proposed amendment is compatible with present and future land uses in the surrounding area and reasonably related to the overall needs of the City. There are currently no Pawn Shops or Payday Loan businesses in the City. Therefore, the subject amendments would not impact or make non-conforming an existing business. Finding met.
- The proposed amendment is compatible with adjacent properties. Finding met.
- The proposed amendment can be adequately supported by public urban services including water supply, transportation system and capacity, police and fire protection, utilities, and sanitary waste disposal and stormwater disposal systems. Finding met.
Public Hearing: A Text Amendment requires a Public Hearing and the Planning Commission will need to open the hearing to take comment from the public. A public hearing is scheduled for April 4, 2019.

RECOMMENDED ACTION
Staff recommends that the Planning Commission vote to recommend the City Council adopt the text amendments to enable Pawn Shops and eliminate the Payday Loan use.
MEMORANDUM

Date: 3/28/2019
To: Planning Commission Members
From: Molly Just, AICP, City Planner
CC: Scott Duddeck, Interim City Manager
        Debra Gustafson, Administrative and Community Services Director
Re: Sale and Reuse of City Owned Property – 2557 12th Avenue East

BACKGROUND
In 2011 the City Council authorized purchase of the subject property on which sat a building that had been declared a hazardous building a year earlier. At the time the City contemplated redevelopment of the property with a residence to bring the property back into use. When being considered for reuse, the parcel is non-conforming, and variances will be needed.

The City Council is currently considering selling the subject property to BATC for construction of a residence to be occupied by military veterans and their families. A variance will be needed from the lot size, width, and side yard setbacks to rebuild on the property. Staff will bring forward the variance application on behalf of the City at the May meeting. See the attached maps depicting the existing condition in this area and the City Council authorization to purchase the property.
CALL TO ORDER
Mayor Kuehn called the meeting to order at 6:36 p.m.

ROLL CALL
City Manager Wysopal took the roll call. A quorum was present.
Present: Council Member Furlong
Council Member Petersen
Council Member Walczak
Council Member Bruton
Mayor Kuehn
Staff: City Manager Wysopal
Nate Ehalt

Additional Item to the Agenda to be addressed by the HRA:
HOUSING AND REDEVELOPMENT AUTHORITY (HRA) MEETING
Convened at 7:37 p.m.
HRA Executive Director Wysopal stated that on November 16, 2010 the City Council authorized staff to declare the building on the property at 2557 12th Avenue a hazardous building.

Though City staff is confident it would receive court authorization to demo the home through the court process, due to the numerous outstanding leans and interested parties the City would not be reimbursed for its expenses and the vacant land would likely need to be maintained by the city until the tax forfeiture process was completed. The City has been working tirelessly in an effort to expedite this process, avoid unnecessary expense to the City, and avoid continued unsightly conditions on the property. A tentative agreement for the acquisition of said property has been reached by all parties involved. Staff requests approval for the HRA to acquire the property at 2557 12th Avenue in an amount not to exceed $40,000 for future redevelopment, to bring a speedy resolution and satisfy all outstanding financial interests and leans of all parties.

Upon completion of acquisition of this property the tenants of the property will be given 30 days to remove all personal property and the house will be razed. All personal property not removed at the end of the 30 days will become property of the City of North St. Paul and may be disposed of.

There are many options for redevelopment on this site – a senior type home, a showcase, a green home, or an opportunity to bring in a Cottage style home that was predominant in the Castle era. It is recommended the Commissioners authorize the Director of the HRA to enter into a purchase agreement for the property at 2557 12th Avenue for an amount not to exceed $40,000.

Commission Member Furlong asked if the redevelopment for this property could be another student built home. Executive Director Wysopal stated that working with the school certainly could be a consideration. Staff will come back to the HRA with various options as things progress. Chair Kuehn stated this property has uniqueness to it as well as an improved alley behind it.

On motion by HRA Commission Member Walczak, seconded by HRA Commission Member Bruton, with all present voting aye, motion carried to adopt HRA Resolution No. 2011-001 authorizing HRA Executive Director Wally Wysopal to enter into a purchase agreement for the property at 2557 12th Avenue in North St. Paul for an amount not to exceed $40,000.

The HRA meeting concluded at 7:45 p.m.
Redevelopment of City-Owned Lot - 2557 12th Ave E
INFORMATIONAL MEMORANDUM

To: Planning Commission Members
From: Molly Just, AICP, City Planner
CC: Scott Duddeck, Interim City Manager
     Debra Gustafson, Administrative and Community Services Director
Re: Planning Commission Proposed Summer Schedule, Terms, and 2018 Attendance

BACKGROUND

This memorandum is provided for informational purposes only.

The Planning Commission Term. Term information is usually provided as part of the year end review, with a recommended action of electing a Chairperson and Vice-Chairperson. Elections took place at the January meeting and so no action is necessary with this item.

Planning Commission Attendance 2018. This memo also provides the attendance record of commissioners during 2018. This information was requested earlier this year.

Additional Meetings. Staff is in discussion with developers regarding the submission of applications for complex projects that may be more appropriate for a meeting dedicated to only that item. Staff suggests additional meetings, as needed, over the spring and summer to accommodate active applications. The meeting would only be held if needed. Potential meeting dates are listed below. A meeting on the third Thursday of the month would include a meeting on April 25, May 16, June 18, July 16, August 20, September 17, and October 15. Also, as the first July meeting falls on Independence Day, staff suggests holding the meeting on Wednesday, July 3rd.

Re: Planning Commission Year-End Report and 2019 Goals

BACKGROUND

In preparation for Planning Commission Chair Elaine Barton’s presentation to the City Council regarding the Year End Review of the Planning Commission for 2018, I am providing a list of the accomplishments from the year as well as potential goals for 2019. This information will form the basis for our discussion of goals for 2019.

ACCOMPLISHMENTS
A few of the accomplishments from this past year included the Commission holding eight public hearings with nine recommendations to City Council. Those were:

- Conditional Use Permits: 3
- Text Amendments: 0
- Variances: 3
- Planned Unit Developments: 1
- Preliminary Plat: 1
- Final Plat: 1
- Site Plan Review: 2
- Vacate Right-of-Way: 2
- Minor Subdivision – Lot Splits: 0
- Interim Use Permit: 1

2019 DRAFT GOALS:

- Adoption of the 2040 Comprehensive Plan
- Adoption of Zoning Amendments to Achieve Compliance with the 2040 Comprehensive Plan within Nine Months of Plan Adoption

Please see attached spreadsheet of 2018 action items.

RECOMMENDED ACTION
To establish goals for 2019 for presentation to City Council in the Chair’s 2018 Year End Report.
